## Adobe PhotoShop Course Feedback

“Just wanted to put on record how pleased we were with the standard of training we received last week. The trainer is a credit to your organisation and we will certainly not hesitate in organising training through yourself again as required in the future.”

*Adobe PhotoShop Beginners Course Chester*

“I just wanted to let you know that we had a fantastic time yesterday in your training session! What a fab, funny enthusiastic lady. We're all feeling a bit more confident now in using this tool in our jobs. Can you pass on our best wishes to her.”

*Adobe Beginners PhotoShop Training Northampton*

“I just wanted to drop you a quick note to say thank you to the trainer for the training on Friday. Everyone really enjoyed it and we found it really beneficial. We do hope to use you again in the future for other training purposes.”

*Adobe PhotoShop and InDesign Course Preston*

“Excellent”

*Adobe PhotoShop Course Blaby Leicestershire*

“A fantastic tutor, made the whole experience very enjoyable.”

*Adobe Photoshop and Indesign Course Leeds*

“I've been meaning to email you regarding the training and how impressed we all were with the trainer; the feedback from the team was that she was not only incredibly knowledgeable about all the subjects but was also very approachable and excelled in her training manner. We all thought she was excellent, so thank you very much for organising her and the courses.”

*Beginners to Advanced Adobe InDesign, Illustrator and PhotoShop training Milton Keynes*

“The instructions made learning the software so much easier than I had imagined, and the trainer is an absolute delight to be with. Making learning fun is a talent. She is a rare gem. Thank you for sending her to me. She has changed my working life in three days flat!”

*Beginners Adobe PhotoShop, InDesign and Illustrator Course Winchester*

“An exceptional trainer. I found her manner warm, easy going professional and interested. Her skills with the Adobe Cloud were vast, her knowledge of Cascading Style Sheets, Convert to Paths, and Clipping Handles exceptional. She will always be somebody who shall forever remain in our hearts.”
